How kids SHOULD interact with dogs

Use common sense. Just imagine how people should interact with each other.

Be polite and kind to pets.

Learn to recognise when your dog is scared or anxious.

Play appropriate games with pets, such as:

- Fetch.
- Training tricks (like roll over, shake, beg, etc.)
- Walking and running with a dog.
- Playing hide-and-seek.

Always remember:

Supervise all interactions. Accidents can happen in a split second.

Train your dog to associate the kids with positive experiences so he’ll be more likely to tolerate your child in case she accidentally interacts inappropriately.
