

# Make your pet's safe space

## Choose the best place for your safe space

Which place feels safest and calmest for your pet?

Imagine your pet is:

- Tired
- Scared
- Trying to rest

Where would your pet go?

Can they feel safe and comfortable?

Where can you put their safe space?

Name an option for your safe space:

---

# Safe space checklist

Now you have chosen a place for your safe space, check the area more carefully using the checklist below:

	No problem	Needs fixing
<b>Noise and activity</b>		
Do people often walk past this space?	<input type="checkbox"/>	<input type="checkbox"/>
Is it near a TV, phone, or other device?	<input type="checkbox"/>	<input type="checkbox"/>
Could your pet hear any background noise even when devices are "off"?	<input type="checkbox"/>	<input type="checkbox"/>
<b>Comfort and environment</b>		
Are there draughts from doors, windows, or hidden gaps?	<input type="checkbox"/>	<input type="checkbox"/>
Does the temperature change in this space?	<input type="checkbox"/>	<input type="checkbox"/>
Are there any flickering lights or sudden changes?	<input type="checkbox"/>	<input type="checkbox"/>
<b>Safety</b>		
Are there wires, clutter, or anything unsafe nearby?	<input type="checkbox"/>	<input type="checkbox"/>
Can your pet get in and out easily?	<input type="checkbox"/>	<input type="checkbox"/>

Based on the results of your checklist, is there now anything you would change to make it better?

## **Build your space**

Now you've chosen the best place and checked it is safe using the safety checklist, if you can, use materials to build or set up your pet's safe space.
