**Certificate of Insurance** means the personalised document which tells **you** the details of **your** cover.

**Complementary Treatment** means hydrotherapy, osteopathy, massage and healing, laser treatment, electrical muscle stimulation, acupuncture or chiropractic **treatment**.

**Condition(s)** means any **illness** or **accidental injury** whether or not it results in a diagnosis. There will be **conditions** that will fall in the following categories:

1. **Bilateral** means any **condition** affecting the right and left sides of **your pet** where there is an underlying cause. For example, hip dysplasia for hips, ear inflammation (otitis) for ears, cruciate ligament disease, or luxation of the kneecaps (patellae).
2. **Recurring** means any previous **condition** or **symptom** that may come back or is likely to happen to **your pet** again. For example, this could be repeating episodes of diarrhoea, vomiting or injuries to claws.
3. **Related** means if a number of **symptoms** are:
  - Subsequently diagnosed as one **condition**; or
  - Caused by, related to, or as a result from another **condition** or **symptom**.

For example, a **related condition** could be excessive drinking as a **symptom** of diabetes. **We** would consider this as one condition not two.

When applying a **maximum benefit** or exclusion, **we** will consider **bilateral, recurring** or **related conditions** as one **condition**.

If you were given the option to choose these at the time that **you** took out **your** policy, they will have been referred to as the “Set Excess” (the fixed amount) and “Voluntary Excess” (the percentage contribution). **Your excess** is shown in **your certificate of insurance**. When **your pet** reaches a certain age this **excess** may change, as the percentage contribution then becomes fixed at certain rates and payment of it is mandatory. This change and the age when it applies for **your pet** is shown on **your certificate of insurance**. **You** will be told of the change at least one year before it is applied. (Please note that amounts payable by you for Third Party Liability claims are shown separately, please see section 2.9).

However, if there is a change to **your** circumstances or correction to **your pet's** details, it may be necessary to alter **your premium** during that 12 month period.

### What we will pay

If **your** dog causes an injury or death to anyone or damages anyone's property during the **policy year** and **you** are held legally responsible **we** will pay up to the **maximum benefit** for:

- ✓ any compensation and legal costs awarded by a court to the claiming party; and
- ✓ the legal costs of defending the claim against **you**.

If more than one person is injured, dies or has their property damaged, **we** will pay compensation and legal costs awarded by a court and the legal costs of defending the claim up to the **maximum benefit** amount of this section of **your** policy. **We** are not liable to pay any more than this **maximum benefit** amount.

If someone else was looking after **your** dog when the injury, death or damage occurred, **we** will pay if:

- ✓ **you** asked them to look after **your** dog;
- ✓ **you** did not agree to pay them to look after **your** dog;
- ✓ the injury, death or damage was not to the person looking after **your** dog, their spouse, civil partner who they currently live with, partner, children, parents or any other relatives who normally live with them or their property; and
- ✓ **you** are not aware that **your** dog had previously caused any injury, death or damage.

### What you pay

- ✓ The first £250 of any compensation or legal costs for property which has been damaged.

### We will not pay:

- ✘ compensation or legal costs if the injured person, person who has died or owner of the damaged property:
  - is **you**, **your** spouse, civil partner, partner who **you** currently with, children, parents or other relatives who normally live with **you**;
  - lives in **your** home;
  - works for **you**; or
  - was looking after **your** dog with **your** permission.
- ✘ For any property which is in **your** care, custody or control, or the care, custody or control of anyone listed above;
- ✘ the first £250 of any compensation or costs for property which has been damaged ;
- ✘ for any claim if **you** are legally responsible for the injury, death or damage only because of an agreement or contract **you** have entered into;
- ✘ for any claim:
  - due to **your** profession, job, work or business, or that of **your** spouse, civil partner, partner who **you** currently with, children, parents or other relatives who normally live with **you**; or
  - resulting from any incident that happens at **your** place of work or that of **your** spouse, civil partner, partner who **you** currently with, children, parents or other relatives who normally live with **you**;
- ✘ for any claim occurring on a property licensed for the sale of alcohol where **your** dog lives or is kept;
- ✘ for any claim if the incident happened outside the United Kingdom, the Channel Islands or the Isle of Man.
- ✘ any fines or penalties imposed on **you** from criminal proceedings including any amount a court requires **you** to pay to punish **you** or to try to stop the same circumstances that led to the incident happening again or because **you** have caused someone distress, embarrassment or humiliation; or
- ✘ any claim if **your** dog has accidentally injured or caused the death of another person or damaged someone else's property, if **we** later discover that when **you** bought or renewed the policy **you** failed to tell us that **your** dog had previously shown any aggressive behaviour towards another person or animal.

## 2.9 Third Party Liability/Cont...

### Other Dogs

If another dog was involved with **your** dog in causing the injury, death or damage (even if the other dog belongs to **you**), **we** will only pay for the damage, injury or death caused by **your** dog insured under this policy. If **your** other dog is not insured under this policy, or the dog belongs to someone else, **you** or the other owner will have to pay for the share of the injury, death or damage caused by that dog.

### What **you** must do

- **You** must tell **us** as soon as **you** are aware of the injury, death or damage which is being claimed against **you**.
- **You** must tell us about any other insurances **you** have (for example, house contents or liability insurance) which could cover the cost of the damage, injury or death caused by **your** dog. **We** will contact the other insurer(s) to agree which insurer will handle **your** third party liability claim and what our liability will be to pay any compensation, costs and fees. **We** will work this out by looking at the cover under each of **your** relevant policies.
- Do not admit that **your** dog was at fault or offer to make payments to anyone unless **you** have already received written confirmation from **us** to do so.
- Do not give anybody information or help them claim against **you** unless **you** have received confirmation from **us** to do so.
- Do not answer letters from people who may claim against **you**, or who are acting for people who may claim against **you**. Send all information, documents and letters that you receive to **us** straight away.
- **You** must give **us** any help **we** ask for and follow any instructions **we** give **you** - this includes giving **us** all information and documents **we** need that are relevant to **your** claim, at **your** cost. **We** may choose to take over any complaint or legal action against **you**, in **your** name and at **our** cost.
- There is no need to find **your** own legal help. Once **we** have reviewed the claim **we** will arrange for legal representation, if it is needed.
- Following a claim under this section or an incident involving **your** dog which relates to this section, **we** may take the decision not to continue to cover **your** dog under this section when **you** next renew **your** policy. If **we** take this decision **we** will advise **you** in writing and change **your premium** to remove this part of **your** cover.

## Your Right to Cancel

---

You can cancel **your** policy at any time by calling **us** on **0344 543 1008** or write to **us**.

### *Within the “cooling off period”*

If **you** cancel during the first 14 days **you** will receive a full refund of **premium** so long as no claim has been paid. If **we** have paid a claim, there will be no refund.

### *Outside the “cooling off period”*

#### Monthly payments

If **you** cancel outside the first 14 days **we** will cancel **your** policy and not collect the future monthly payments. If **your pet** has died, been stolen or has gone missing, and **you** claim for this, **we** will not take any further monthly payments for the current period of insurance. However, if **you** have been paid a claim during this **policy year** then **we** will deduct any outstanding monthly payments for the current period of insurance from **your** final settlement claim.

#### Annual payments

If **you** cancel outside the first 14 days **we** will cancel **your** policy and refund **premiums** for the remaining length of the policy so long as **you** have made no claims under this policy during this **policy year**.

If **your pet** has died, been stolen or has gone missing, and **you** claim for this, **we** will refund **premiums** for the remaining length of the current period of insurance. However, if **you** have been paid a claim during this **policy year** then **we** will not refund any of the **premium** already paid unless the claim value is less than the pro-rata **premium** for the remainder of the **policy year**. In this case, the difference between the pro-rata **premium** and the claim value will be refunded.

## Our Right to Cancel

---

**We** may cancel **your** insurance cover straight away when:

1. **You** deliberately tell **us** something which is untrue or misleading when you reply to any question **we** ask **you** when **you** buy **your** policy, or ask **us** to make a change to **your** policy (or **we** can show that **you** did not take reasonable care to make sure the information **you** told **us** was true).
2. **You** tell **us** something which is untrue or misleading by mistake when you reply to any question **we** ask **you** when **you** buy **your** policy or ask **us** to make a change to **your** policy which, if correctly answered, would have caused **us** to not accept **you** for cover.
3. There is proof of dishonesty or deceitful behaviour by **you** (or by someone acting on **your** behalf) which affects this policy.
4. Due to a change in law or regulation.
5. Sanctions are applied to **you** or any joint policy holder.

Sanctions means legal financial restrictions applied to **you** which make it an offence for **us** to pay any money (for example, for a claim or a refund of **premium**) to **you** under this policy. This means that if **you** or any other relevant third party who has suffered a loss which would otherwise be covered under the policy, are the subject of a sanction, **we** may not be able to provide cover under the policy. “Sanctions” means any sanctions, ban or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union or United Kingdom.

If **your** policy is cancelled as a result of points 1, 3, 4 or 5 above, **we** will not return any **premiums you** have paid. If **your** policy is cancelled as a result of point 2 above, **we** will return any **premiums you** have paid so long as no claim has been made.

Any decision to cancel cover will not be made at an individual level and will not be based on whether **you** have made a claim, except where points 1, 2 or 3 above applies.

Cancellation of **your** policy will not affect **your** entitlement to claim for any event which happens before the date of cancellation, except where points 1, 2 or 3 above applies.

If **you** have a Time Limited policy, **we** may choose not to renew **your** insurance cover. If this happens, **we** will write to **you** at least 90 days before the anniversary of the **start date** where no other cover is offered.

This may be because:

- in the unlikely event that for any of the reasons listed in the “Changes to your premium” section **we** expect to experience unsustainable losses for the particular country or market sector that applies to **your** policy:
- **we** decide for reasons of strategy or cost that it is no longer viable for **us** to continue to offer cover within the particular country or market sector that applies to **your** policy.

## Things you need to do

---

- **You** must submit **your** claim for **vet fees** along with invoices showing costs/fees **you** have incurred within 12 months of the **treatment** taking place. Failure to do so will result in non-payment of **your** claim unless there are exceptional circumstances.
- **You** must take **your pet** for regular annual check-ups (or as otherwise recommended by **your vet**) and vaccinations with licensed products as recommended by **your vet**.
- **You** must respond honestly to any request for information **we** make when **you** take out cover under this policy, or apply to make a change to **your** cover. If any statement of fact **you** make is untrue or misleading, this may affect the validity of **your** policy, any claims previously paid by **us**, and whether **you** can make any claim in the future.
- **You** must not make any claim **you** know is false or dishonest.
- If **you** do not carry these out, **we** may not pay part of any claim **you** may make.

## Things we need to do

---

- **We** will assess all claims fairly, reasonably and quickly against the information **you** tell **us** and the terms of the policy.
- **We** may need to see **your pet's** records from any **vet** who has treated it and any other information about **your pet** before **your** claim is paid. If the **vet** charges for this information, **you** will have to pay.
- **We** may need to arrange for someone to visit **you** and **your pet** if **we** feel **we** need further information to properly understand **your** claim.

## 6.1 Contract of Insurance

---

This policy is renewed each year. **You** can either pay as a single payment once yearly or in monthly payments. The contract of insurance between **you** and **us** is the policy Terms and Conditions and **your certificate of insurance**.

**Your** cover will end when one of the following happens.

- The date **your pet** dies.
- The date **you** do not pay **your premium** when it is due.
- The date **you** or **we** cancel your cover.

The **premium** and Terms and Conditions for this policy are fixed for 12 months and reviewed annually on the anniversary of the policy **start date**.

However, if there is a change to **your** circumstances or correction to **your pet's** details, **we** may need to alter **your** premium during the 12 month period.

**We** will review the Terms and Conditions and the **premium** each year. Following this review, **your premium** may go up, go down or stay the same.

**We** will only change the **premium** for these reasons:

- A change in any general costs for the running of our business.
- A change in the scheme performance or claims experience. For example, this could be due to information that suggests claims or veterinary fees may go up or down.
- Changes to **your** circumstances such as the age of **your pet**, **your** claims history or any change to **your** address.
- Any change in the Insurance Premium Tax rate.

**We** will not change the **premium** for any other reason or to recover previous losses.

## 6.2 Premiums and Terms & Conditions/cont...

---

If **we** change the policy Terms and Conditions, it will only be for these reasons:

- To improve **your** cover.
- To make the policy wording clearer or to correct any errors.
- To meet any laws or regulations or Insurance Premium Tax.
- Due to any of the reasons **we** say for changing the premium above.

**We** will not change the Terms and Conditions for any other reason or to recover previous losses.

Each year, at least three weeks before the current **policy year** is due to end, **we** will send a renewal notice to **you** setting out the new policy Terms and Conditions and **premium** for the next **policy year**. If **you** have already given **your** consent for **us** to collect the **premium**, **your** payment will continue to be taken using the same bank account unless **you** tell **us** otherwise. **Your** cover under this policy will continue as long as **you** pay the **premium** whenever your **premiums** are reviewed.

**You** must continue to pay the full **premium** even when **you** are making a claim. This will make sure cover continues for any further **treatment** or other costs.

If **you** want to cancel **your** policy, **you** can at any time.

## 6.3 Fraud

---

If **we** make any claim payments because of dishonesty or deceitful behaviour by **you** (or by someone acting on **your** behalf), then:

- **we** may stop making further payments and may seek to recover from **you** any sums paid by **us** for any dishonest claim;
- **we** may cancel the contract with effect from the time of the behaviour which may affect other claims; and
- if **we** cancel the contract, **we** may not pay any claims occurring after the time of the dishonest or deceitful claim.

If **we** cancel **your** cover due to fraud, **we** will not return any of the **premiums** paid by **you**.

Any valid claim occurring before the dishonest claim will not be affected.

## 6.4 Reinstatement

---

If **you** cancel **your** cover under this policy or the cover ends due to unpaid **premium**, **you** can ask for the policy to be reinstated. If **we** agree to this, any claim or **condition** which starts during the period when **your** cover had ceased, will not be accepted.

## 6.5 Change of Insurer

---

It may be that the insurance company underwriting **your** cover could change at renewal. If this happens **you** will be informed of this change not less than 21 days before **your** current policy renews and provided with details of any changes in **your** policy cover.

If **you** pay by direct debit then **your** policy may be automatically renewed with the new insurer. If **you** do not want **your** policy to be renewed then please let them know before the renewal date.

## 6.6 General Conditions

---

- **You** and **your pet** must live in the UK at the address shown on **your certificate of insurance**.
- **Geographical Limits** - this insurance only applies in the United Kingdom, the Channel Islands and the Isle of Man except for **vet fee** claims occurring while **you** are travelling abroad with **your pet** to any countries in the **European Union**.

- **Transfer Rights** - the rights given under this policy can be transferred directly to another individual taking on the full responsibility of the **pet** if **we** agree. To transfer the rights of **your** policy, please contact **our** Customer Services Department. Transfer of rights may result in a change to the **premium** amount.
- All contact with **you** will be in English.
